

Defect ID0001 - Error 511 - Out of Sequence Event

Bug ID: 0001

Bug Title: Error 511 - Out of Sequence Event.

Bug Description: When the player spins the wheel, the game displays the message "*Error 511 - Out of Sequence Event*" on the screen. After this, the player is unable to continue playing.
System link:

System Link: <https://slotcatalog.com/en/slots/Bling-Bling-Penguin>

Steps to reproduce:

1. [Google chrome] Open the game.
2. [Bling bling penguin] Navigate to the wheel-spinning feature.
3. [Bling bling penguin] Spin the wheel.
4. [Bling bling penguin] Observe the error message that appears.

Expected behavior:

- The wheel should spin and display results without error.
- The game should function as expected, even after multiple spins or page reloads.

Actual behavior:

- The *"Error 511 - Out of Sequence Event*
