

Quality assurance test

General overview

1. Even though this is not a question, we'd like to hear why you selected this game.
What are the ups and downs?

Response: I Liked the name and the theme,

UPS:

- It's a simple game, it isn't confusing.
- The game runs very well
- The animations and the music are very immersive

DOWNS:

- I ran the other games, and I think "*Unusual Suspects*", for example, had more featured events

2. What would you consider a factor that would make you play again?

Response: I would play again if the game added new features or rewards to keep things interesting.

3. Was this an engaging experience?

Response: Sure, the game is immersive and you want to spin again and again.
